

# THE ULTIMATE PACKAGE DEAL

## the PACKAGE

ALL YOUR...

- INTERNET
- LOCAL PHONE
- LONG DISTANCE

Introducing The Package from GCI. The total communication machine.

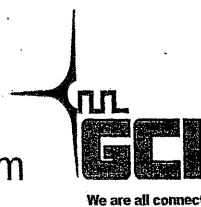

You get 600 minutes of interstate long distance, unlimited Internet with e-mail, and local phone service with caller ID, voice mail, call waiting, call forwarding and more, all for just \$49.99. The same plan with the other guy costs 41 percent more:

Go figure.

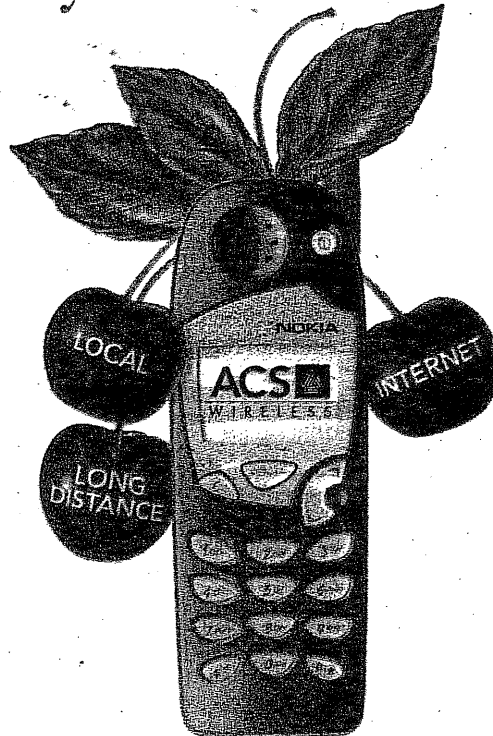

The Package	The Other Guys
600 minutes of LD	600 minutes of LD
Internet	Internet
Local Services	Local Services
<b>\$49.99</b>	<b>\$70.95</b>

The Package has definitely landed.

265-5400    [www.gci.com](http://www.gci.com)

Price does not include taxes, fees, surcharges, or additional options and services. Requires GCI Local Value Package and Local Value Package Plus. Prices and conditions may vary. Program conditions apply.

# Cherry Deal.

Our bundle has the one thing the other "package" seems to have forgotten.

## Wireless.

No other "package" offers the things you need most like *Your Choice Bundles* from ACS. This deal lets you cherry-pick the bundle of services that is right for you.

With the Wireless Bundle, you'll get everything listed below. If you sign up now, you'll also get a *free Nokia 5125 phone and free activation* (a \$115 value). Talk about a sweet deal.

And if Internet is more to your taste, order our Internet Bundle. With Internet Call Manager, free tech support and no hidden long distance fees, it's equally delicious.

because  
YOU WANT SOLUTIONS
